Dedication

The 1977 Yearbook staff would like to dedicate this yearbook to Miss Diane Allam. Diane has taught English in the high school for over ten years and was the yearbook advisor until 1976. She also has been the Junior and Senior play director. Last year's all-school play "Lil' Abner" was a tremendous success. The 1977 staff feels that for all of her hard work with the students, the plays, and the yearbook, she deserves this dedication.

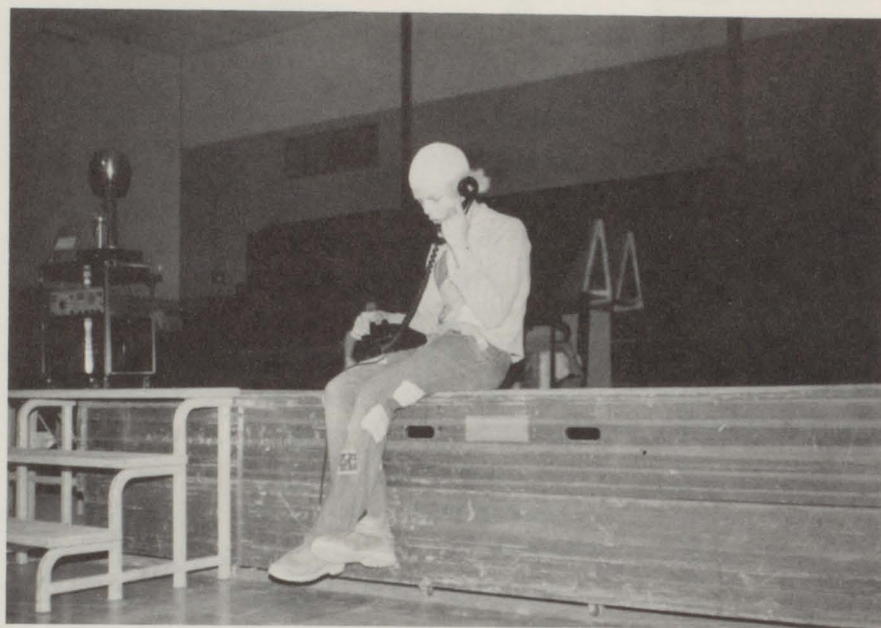

WHAT IS A YEARBOOK?

And what is a yearbook? Just as Yale is not just beautiful, sprawling buildings, not just 520 students and 29 teachers, not just victorious athletic teams, talented musical groups-but the essence, the vitality, the warmth, the intangible, living heart of all these-so a yearbook is like a magic mirror; capturing, holding, and reflecting forever the vibrant force and personality which was our school year.

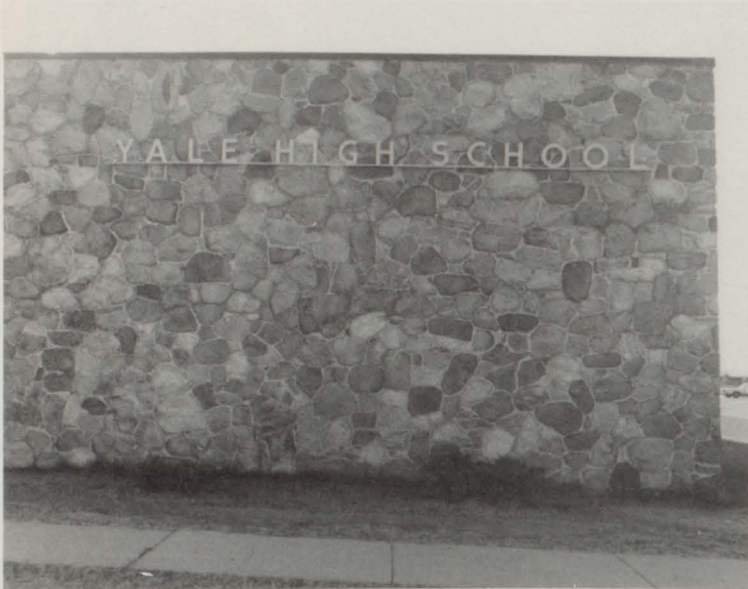

A yearbook is people-and people are laughter, tears, cheers, taunts, quick-silver dreams, cynicism which seeks solitude to cry, studies, goofing off. People-people growing up-but growing hurts!

And a yearbook is events-proms, music, dates and lack of dates. Football games won and celebrated, football games lost with tired senior players walking silently together for a last look at the lengthening shadows on a now-empty stadium, turning quickly away with unbidden tears.

A yearbook is life-a year of life-a year lived-a year now gone-and the promise of all the years that are to come.
